

Attention Ravenwood Homeowners,

All exterior improvements must be approved by the Reserve at Ravenwood Board of Directors. You may make a request on the website or complete and return the DRC Improvement Form. The DRC Improvement Form can be found under the Resources tab under Documents. Any alterations started or completed without Board approval may lead to fines against the homeowner as well as returning the alteration to its previous state at the cost of the homeowner.

Architectural Guidelines for Improvements can be found under Resources in the Documents folder. If you would like to make improvements or alterations to the exterior of your home, please review the guidelines before submitting a request. Improvements or alterations are described in Article XI of the Declaration also located under Resources. It is in everyone's best interest to follow these guidelines.
